## **A. PURPOSE**

The purpose of the Orhun Coordination Office is to plan, implement, and sustainably develop student and academic staff mobility between our university and partner higher education institutions within the scope of the Orhun Exchange Program.

## **B. MISSION AND VISION**

The Orhun Coordination Office aims to enhance the effectiveness of all activities carried out within the framework of the Turkish University Union (TÜRKÜNİB) and the Orhun Exchange Program. TÜRKÜNİB is a platform that aims to promote educational cooperation among Turkic-speaking countries and strengthen academic interaction among universities. The Orhun Exchange Program is an important program that increases mobility for students and academics among Turkic-speaking countries and promotes mutual cultural interaction. The program is organized to support academic achievement and deepen partnerships among participating universities.

The Orhun Coordination Office is responsible for coordinating the activities of TÜRKÜNİB and the Orhun Exchange Program and aims to contribute to our university's strategic objectives in this process. Seeking to increase international interaction in both academic and cultural fields, the Orhun Coordination Office aims to create more opportunities for our university on a global scale and support our students in gaining international experience.
